

Nature's Touch Guest House

Description:

"Warm welcome & delightful hospitality in beautiful craftman-built home. Spacious, comfortable suite with stunning views. Convenient location. Superb cuisine, both Western & Japanese. A true gem."
Margaret, Australia

"Nature's Touch Guest House was the best B&B that we experienced in New Zealand during our trip in March 2008. ...the food was amazing. The breakfasts outdid any other B&B by a long shot, and the Japanese meal was great. Thank-you Natsuko and Maarten for making our vacation memorable with a stay at your home" Don and Julie, Canada

A warm welcome from us and baby Lina + our friendly dog, Lucky! We are nautical themed B&B and just a short stroll to the beach. Only 10 minutes drive to the city, 15 minute drive (almost straight line) to the ferry terminal and the airport driving along the coast. Upper Boat Bedroom (Luxury suite) is for you to enjoy whole of upstairs and elevated views as well as privacy. Enjoy tranquillity.
